

DESERT INTERNATIONAL HORSE PARK

EQUINE HEALTH ENTRY REQUIREMENTS

Protecting the health of your horse and other horses at Desert International Horse Park is of the utmost importance. DIHP has implemented these **Required Biosecurity Measures** to decrease the risk of introduction and/or spread of contagious or infectious disease at its shows.

UPON ENTRY TO THE DESERT INTERNATIONAL HORSE PARK, ALL HORSES MUST HAVE AND PROVIDE:

PROOF OF VACCINATION

Required

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: Equine Influenza (EIV)

Within 6 months (180 days) of each show: Rhinopneumonitis (EHV 1 and EHV 4)

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show.

Statement of vaccination must be on Official Letterhead and must contain the Show Name of each horse.

PRESENTATION OF HEALTH REQUIREMENTS

These documents must be presented upon entry to the show grounds and copies must be filed in the Show Office **before any competition numbers will be issued**. The results on all required papers must indicate the horse's registered (show) name.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the required documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever/illness/stress is subject to examination by DIHP Officials and/or the Show Veterinarian, who may at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

See **Rules and Regs** for more information, and visit deserthorsepark.com for the most up-to-date Requirements.
