III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41

21 310 47 47. The Code is available in English. The Code is also available on the FEI's website:

Groups 1 and 2 consist of 60% of the number of athletes participating.

Group 1

CHECKLIST FOR DRAFT SCHEDULE JUMPING 2021

- Group 1 consists of 30% of the number of athletes participating and will be athletes taken in descending order from the Longines Rankings applicable 244 for that specific Event hosting MLSJ.

Group 2

- Group 2 consists of 30% of the number of athletes participating and will be team athletes taken from the Longines Rankings top 350 as of May 1, 2020 for the 2021 season and from the Longines Rankings top 250 as of September 31, 2021 for the 2022 season (maximum 2 per team). Team athletes are athletes participating in the MLSJ team competition taking place during the Event hosting MLSJ. The unused Group 2 invitation(s) are reallocated to Group 1 and will only revert to Group 3, respectively to Group 4, after the substitution deadline (refer to the last bullet point of this section for details on reallocation of unused places after the substitution deadlines).
- At least one athlete per MLSJ team must come from Group 1 or 2. If already three (3) athletes of the same MLSJ team are entered under Group 1, the same team cannot enter a fourth athlete under Group 2.
- Substitutions are taken in descending order until 15 days prior to the start of the Event (this applies also to the FEI wild card); for Events where air transportation is required for horses, due to the requirements for horse flights and health documents, the deadline is 45 days before the Event. After the 15 day dead- line for Events where air transportation is not required for horses, any unused places will be allocated by the OC (Group 4). After the 45-day day deadline for Events where air transportation is required for horses any unused place(s) will be allocated by the home NF (Group 3).

Group 3

- Group 3 consists of 10% of the number of athletes participating. Group 3 consists of 1 FEI wild card (2 in the case a 4* event is MLSJ approved) and home athletes selected by the home National Federation (NF).
- The home athletes are selected by the home NF and the FEI wild card by the FEI. Should the NF and/or FEI not be able to meet its quota of athletes in this group, the quota will be filled by inviting additional athletes by OC (Group 4).
- If any event has not filled its quota of 50 athletes after all re-allocations have been made under Groups 1, 2 and 4, any remaining invitations will go to the home NF.

Group 4

- Group 4 consists of 30% of the number of athletes participating selected by the OC.
- The invitations in Group 4 can only be used to invite MLSJ team athletes (so that each team participating in the MLSJ Event has 4 team athletes). It is not obligatory that the athletes be chosen from the Longines Rankings. If less than 20% of the athletes have to come from Group 4 in order to accommodate MLSJ teams, the OC can invite individual riders up to 20%. The unused Group 4 invitation(s) are reallocated to Group 1.
- The total number of athletes participating in Groups 1, 2, 3 and 4 shall be according to the approved FEI schedule; provided, however, that the percentages of athletes in Groups 1, 2, 3 and 4 shall be 60% for Groups 1 and 2 (30% for each); 10% for Group 3; and 30% for Group 4.

Group 5

- Group 5 consists of additional team athletes.
- Group 5 does not count for the percentages of the invitation system. Athletes in Group 5 are invited only if and to the extent to complete the maximum of 4 athletes per team for the MLSJ Event. So if a MLSJ team has 4 team athletes pursuant to Groups 1, 2, 3 and 4, no athlete will be invited in Group 5.
- Group 5 athletes are not eligible to participate in the Grand Prix.

Groups 2, 4 and 5 can only be used to complete the team maximum of four (4) riders.

Athletes are invited by the Organiser through their National Federation.
One (1) groom per athlete.

COMPETITION No: 5004

Time: 6:00PM

Type of Competition: MLSJ Team Competition Acc. to Article: 238.2.1 & 239

Format (Run at each event) one round and two jump-offs over a shortened course. The first jump-off will include the top four placed teams in round 1, and will determine qualifying for the second jump-off. The second jump-off will determine podium placings; no rider will jump-off twice. Initial round and subsequent jump-offs to take place in one day, with no horse or rider jumping more than one round and one jump-off. The team competition will not count towards the Longines Rankings.

- **Round 1** - All teams compete in a team style format, with three riders per team, all three scores to count. Will be judged under table A against the clock FEI Art 238.2.1. The top four teams qualify for the FIRST JUMP-OFF by staying above the cut-off line in round 1. The combined penalties and time of all three athletes will determine placings. A team that only has two riders complete the round will place below those with three completing the round. A team that only has one rider complete the round will place below those teams who have two complete the round. Teams with only two or only one rider completing the course will be separated by the combined penalties and time of the riders who completed the course. Team Order of go will be determined by draw at the draw party the evening before the MLSJ team competition. Teams and their managers will have the ability to create the start order of riders within each team. Team Managers must submit the order of go for their individual teams by noon the day before the team competition. The teams who do not stay above the cut-off line (5th and lower) will be placed according to combined penalties and time. In the event that any teams are tied in round 1, the tiebreaker will be determined by each team's top individual performance. In the event a tie still remains, the tiebreaker will be determined by each team's second best individual performance. In the event a tie still exists, all teams tied will advance if they are tied for a position that advances to the first jump-off. In case of teams tied advancing to the first jump-off, their starting position in the First Jump-Off will be the same as it was in Round 1.
- **First Jump Off** (Shortened course) - In this round teams will choose two of the three riders to ride over a jump-off course. In the event only one horse on a given team is fit to compete in the First Jump-off, said team will forfeit the jump off and will be replaced in the jump-off by the next best placed team in round 1. The team having forfeited the jump-off will be placed highest among the teams not taking part in the jump-off. In the event this happens to more than one team at one event, the teams having to forfeit the jump-off will be tied for the highest placing among the teams not taking part in the jump-off and will be replaced in the jump-off by the next best placed teams in round 1. In the event only two horses are fit to compete, both riders will participate in this round, and they will forfeit their match in the Podium Jump-Off. In the event this happens to multiple teams at one event, those teams will remain tied for the highest placing of those teams not competing in the Podium Jump-Off. Order of go will be based on qualification from round 1, with the best team going last. Team managers will have the decision making ability to create the start order of riders within each team after the completion of the initial round. This must be done within 5 minutes of the completion of Round 1. Teams will again battle to stay above the cut-off line, with the top two teams based on combined time of their two riders, advancing to the PODIUM JUMP OFF 1st Place show-down, and the bottom two (or 3rd and 4th if more than four teams advance due to a round 1 tie) battle it out for PODIUM JUMP OFF 3rd Place showdown. Will be judged under Table C FEI Art 239 with three seconds added for a knockdown. In the event of a tie in the first jump-off, the team with the fastest individual performance will advance. In the event a tie still exists after the first tiebreaker, the team placings in round one will determine the results. In the unlikely event more than one team is eliminated from this round, the teams will advance to the PODIUM JUMP OFF round based on their placings in round 1.
- **Podium Jump-Off** (Same shortened course as First Jump-Off)— The rider for each team that did not compete in the First Jump-Off, will compete in the Podium jump off 1st and 3rd place Show-down, competing in a heads up format over the same jump-off course. This round will be judged under Table C FEI Art 239 with three seconds added for a knockdown. The team with the fastest time in the Podium Jump-Off first place showdown will win the competition and the team with the fastest time in the Podium Jump Off third place showdown will be placed third. Order of go for the Podium Jump Off will be based on positions after the first jump off, with the best team going last. In the event of a tie, teams will remain tied, share the prize money and the points for the team standings. In the event the third rider is unable to compete in this round, their team will finish either second or fourth, depending which match they have qualified for.

CHECKLIST FOR DRAFT SCHEDULE JUMPING 2021

- **Competition Eligibility** – Team Competition is exclusive to registered team members only. Each athlete shall ride one horse during the MLSJ Team competition.
- **Starting Order** – Random draw will be conducted during a draw party at each event to determine order of go for the teams. Once the order is set, all three athletes will ride consecutively to create a team total score before the next athlete competes. Team managers must submit the order of go for their individual team to the office by noon the day before the team competition. Teams will have their riders ride consecutively in all rounds.
- **Athlete Declarations** – The team manager will be required to declare his or her four (4) riders and horses in writing to the MLSJ office 10 days prior to each event. Following the official declaration, no further changes can be made unless approved by MLSJ and OC of event in question.
- **Team Final Declarations** - The team manager will declare which three athletes and horses will take part in the team competition no later than 24 hours prior to the team competition. This declaration must also be done in writing and submitted to the MLSJ office. Substitutions after the declaration can be done by following the substitution policy in section 1. If a substitution cannot be made, the team will not compete and will earn no points.
- **Athlete order of go** - This will be decided by the Team Manager, and submitted to the League office by noon the day prior to the team event.
- **Withdraws** - If one team cannot participate in round 1, the round will be run with the remaining teams, with four still advancing to the First Jump-Off. A team withdrawing from round 1 will receive no prize money and no points. If one or more of the four qualifying teams must withdraw from competition following round one, they will be placed 4th, or tied for the lowest placing available. Similarly, if one of the qualified teams for the podium Jump-Off must withdraw, they will forfeit the final, and place second or fourth respectively.
- **Disqualification** - If a rider is disqualified that team will finish behind teams in which all three riders completed their round. If two riders on a team do not complete their round, their team will finish below teams who had only one rider not complete. In the event all riders are disqualified the whole team will be disqualified, and will receive no points. In the event a team rider is disqualified from the entire event prior to the start of the Team Competition, the team manager will be permitted to make a substitution. If said team does not have a fourth rider at the event, the team manager may select a rider competing in the MLSJ event that is not on a MLSJ team. If a substitution cannot be found, the team will be disqualified and will receive no points.

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. 4. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

5. STEWARDING

- ___ If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- ___ In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the

highest prize money, and is at the discretion of the Chief Steward for other competitions.

- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- ___ The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- ___ If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- ___ This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

6. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

7. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

8. ADDITIONAL INFORMATION FROM THE OC

COVID-19 Protocols will be strictly enforced and followed as outlined and mandated by the State of California, the USEF, the FEI and Riverside County. Desert International Horse Park Protocols may be found on our website www.deserthorsepark.com and are available to all competitors upon arrival.

10. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must provide the following percentages of additional prize money for every ten declared starters, up to 120 declared starters:

- 101 to 110 declared starters: the OC must provide 133% of the original Competition prize money, which is to be distributed among the 16 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

- 111 to 120 declared starters: the OC must provide 166% of the original Competition prize money, which is to be distributed among the 20 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

If more than 120 starters are declared, the OC must split the Competition into two groups and provide 200% of the original Competition prize money which is to be divided equally between the two groups. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have two groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters, that determines whether the Competition must be split.

If there are more than 200 declared starters, the OC must split the Competition into three groups and provide the same percentages of additional prize money as indicated above (100% of original Competition prize money to be provided for each of the three groups if each group has 100 or fewer starters; 133% of original prize money to be provided for each group if any of the three groups has 101-110 starters; 166% of original prize money to be provided for each if any of the three groups has 111-120 starters).

³ For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ competitions, the minimum prize money requirements indicated above for the Grand Prix apply only to the FEI World Cup™ Competition as it has the status of a Grand Prix; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition. Refer to the FEI Jumping World Cup™ rules for details relating to date of implementation of this rule at CSI-W Events.
