

UNITED STATES EQUESTRIAN FEDERATION

DECLARATION OF HORSE HEALTH

As owner/trainer of the above horse, I acknowledge the following information is correct.

1. The horse has not had an elevated temperature above 101.5 F in the 72 hours prior to arrival at the Desert International Horse Park.
2. The horse has not been treated for and/or exposed to a fever of unknown origin in the last 28 days prior to arrival at the Desert International Horse Park.
3. The horse has tested negative for EHV-1 at least 30 days prior to arrival at the Desert International Horse Park IF it had previously tested positive for EHV-1 in the six months prior.
4. The horse is compliant with all the vaccination requirements for GR 844.
5. The owner/trainer has read and agrees to abide by all bio-security protocols published by the Desert International Horse Park.

The parties agree that this agreement may be electronically signed. The parties agree that the electronic signatures appearing on this agreement are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.
