As we embark on our fifth season, we are even more focused on the few things that matter the most to us, and hopefully to all of you that show at the horse park.

To start with, we have an exciting season planned with fourteen (14) weeks of Hunter/Jumper competition. This includes twelve (12) weeks of Premier rated hunter competition (and with it a points premium over National rated hunter competitions) and eight (8) weeks of FEI. More specifically:

National Sunshine Series – The National Sunshine Series includes two \$100,000 Grand Prix classes, a \$15,000 Six-Bar, the \$65,000 Regional USHJA International Hunter Derby Regional Championships, the CPHA Style of Riding Championships, the USEF/NCEA Junior Medal Finals, the ever-popular Family Class, and four \$10,000 USHJA National Hunter Derbies.

Desert Holiday – Major League Show Jumping (MLSJ) brings the nation's only \$1 million FEI Grand Prix to the DIHP Grand Prix Arena during Week 1, and the \$1 million MLSJ Team Final during Week 2. The \$25,000 USHJA International Hunter Derby will play out on DIHP's beautiful grass field. The USHJA Platinum Jumper Championships will be sharing the Grand Prix Arena with the stars from MLSJ. And Week 2 brings the first of three weeks of WCHR competition for the 2023-24 season.

Desert Circuit – Desert Circuit will run ten weeks straight this year, starting the second week of January and finishing in mid-March, as is tradition. There will be nine weeks of Premier-rated Hunter competition and six weeks of FEI show jumping. Desert Circuit is full of special classes, big competition events, and FUN. For the first time, we are doing a Hunter takeover of the Grand Prix Arena, scheduled for Week 6, when the FEI and National Jumper classes will be held on the grass field. Every Saturday evening will have a night class in the Grand Prix Arena. We'll end once again with a FEI 4* week and the \$100,000 WCHR West Coast Hunter Spectacular during Week 10. We are welcoming back the Pro Eq Challenge, but this time in the Grand Prix Arena with \$50,000 in prize money. It will be held during Week 8. NAYC Trials will also be held during Week 8. The R.W. Mutch Equitation Championship will once again take place on a Saturday evening, but this year it will be during Week 9, rather than the final week of the circuit.

Our team is committed to making your time with us memorable for all the right reasons.

And more than ever, we are focused on our core principles:

1. Maintaining the horse park in the condition that everyone has come to expect – With the vast majority of the major investment complete at the horse park, our focus is on ensuring it looks great every day, is clean, is free of maintenance problems, the trees and shrubbery are well watered and always trimmed, and dust is kept to a minimum.

Maintaining the horse park is a passion of ours, perhaps even an obsession. This past summer was a one of the most fun for us because instead of large construction projects in the 115-degree weather, we had the excitement of planting over 900 plants that we used in the rings this past season. It enabled us to continue to add to the beauty that has become our horse park. We hope when you arrive you see our attention to detail, and that it makes you as delighted to be here as we are.

2. Keeping horses happy and safe, from biosecurity to footing – Whenever I hear “my horse loves being here,” I know we are succeeding in our mission to put horses first. Ensuring horses are safe and comfortable is always at the top of our list of priorities. It is a challenge to make sure that everywhere a horse roams, it is going to step on good ground, which is free of debris and safe for the job intended.

We must ensure that we protect our horses from getting ill. We’re proud to be the only horse park in the U.S. with a dedicated biosecurity officer. We know there is always room to improve, but we take pride in having set the bar pretty darn high on this front.

3. Running a good horse show – From the start, we made running a good horse show an imperative. I am constantly reminded that people expect – and deserve – a schedule that works, day in and day out. Last year, excluding scheduled night classes, we ran past 5:00 p.m. only 3.6% of the time; this equates to a single ring running late just one time in a week. Horses and humans both need breaks from the sun, time to eat, and plenty of rest, and we are proud of our commitment to ending show days early. That is not to say that we won't face challenges (and National Sunshine Series Week 2 will always be one of them) but know this is an uncompromising goal of ours. But we are intent on running as many rings as possible so that the day ends early enough for everyone to enjoy their time in the Coachella Valley and are able to take advantage of the many fun things the area offers.

4. Building our sport – Top sport; it's always on my mind. It is what is missing here on the West Coast, and we have to play our part to build it. Simply, the level of competition we put on is essential to building top sport. We need to have top sport so that young riders see the dream, and are inspired and motivated to become the next generation of top-level riders. So that young riders want to stay on the West Coast. So that all of our riders are prepared when they compete around the country. We are always so proud when our riders win around the country. It is a tribute to our focus on elevating the quality of sport here. This is our biggest challenge.

5. Making the horse park your happy place – Our team is committed to making your time with us memorable for all the right reasons. This is easier to do when you have a dedicated team who love what they do. Like you, we are horse people and want the experience to be the best. Our answer always has to be “yes”, instead of “no”. We need to always find a way to get it done. “We're glad to have you back” or “what can we do to help?” should always be what you hear each day. We seek to constantly surprise you with something positive. And we have to do this on week 10, not on just week 1.

We encourage you again to look deeply at our schedule for this coming season. We have once again changed how the weeks flow, hopefully for the last time (LOL!). Some of your cherished classes have moved around a bit. We'll overcommunicate the highlights and special classes, but we do appreciate your paying a bit of extra attention as you plan your season with us.

We are proud to be a strong partner for everyone involved in the sport on the West Coast. We hold ourselves to high standards. We welcome everyone's input, comments, and observations, small and large. It's the only way we'll achieve our aspirations.

We'll see you soon in the desert!

Steve

FOR INFECTIOUS DISEASES INCLUDING COVID-19 RELATED LOSS AND BIOSECURITY ARRIVAL**

WARNING: IMPORTANT NOTICE

BY SIGNING THIS AGREEMENT, YOU ARE GIVING UP CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO RECOVER DAMAGES IN CASE OF ILLNESS, INJURY, OR DEATH (collectively "Loss") ARISING OUT OF YOUR PRESENCE AT THE FACILITY (defined below) SPECIFICALLY RELATED TO COVID-19 OR ANY OF ITS MUTATIONS, FORMS, DERIVATIVES, OR OTHER INFECTIOUS DISEASES (collectively "COVID-19").

I, the undersigned, hereby enter into this Release, Waiver, Hold Harmless, Assumption of Risk, Defend, and Indemnify Agreement for Infectious Diseases Including COVID-19 Related Loss (this "Agreement") in consideration of my, and my minor child if applicable (collectively "I", "me", or "my"), ability and permission to access, utilize, occupy, visit, attend, or otherwise be present on Released Parties' (defined below) property (the "Facility") during and after the COVID-19 pandemic, for any reason, whether or not related to equines or equine activities.

1. Risk of Loss/Protective Measures/No Guarantee: By signing this Agreement, I hereby acknowledge that I have familiarized myself with the risk of Loss accessing, utilizing, occupying, visiting, attending, or otherwise being at the Facility (collectively "Using") for any reason and the current protective measures at the Facility intended to minimize my risk of exposure to COVID-19. I agree the protective measures are satisfactory and sufficient for me to accept and assume the risk of my COVID-19 exposure resulting from Using the Facility occupied by other individuals. I understand and agree that Released Parties (as defined below) cannot guarantee: (a) the protective measures can or will prevent my exposure to COVID-19; (b) will be complied with by all individuals at the Facility; or (c) that others will not act in a negligent manner that may contribute to my Loss or contraction of COVID-19. I therefore consent to personal contact by Released Parties and/or medical personnel deemed necessary for providing for my care at the Facility and/or the hospital, even at the risk of my COVID-19 exposure. I agree to hold Released Parties harmless for such medical attention and any Loss directly or indirectly resulting therefrom. I agree that in the event I am diagnosed as infected with COVID-19, I authorize medical personnel to provide Released Parties information regarding my Loss and treatment for contact tracing or any other purpose.

Release/Hold Harmless/Defend/Indemnify: I agree to release, hold harmless, defend, and indemnify Coachella Horse Park LLC, doing business as Desert International Horse Park, CHP Land Company LLC, CHP Show Management Company LLC, doing business as Apex Equisport, and each of their respective parent, affiliate and subsidiary companies, agents, successors, assigns, employees, volunteers, contractors, representatives, assistants, sponsors, members, managers, shareholders, officers, directors, owners, trustees, licensees, invitees, related entities, as well as any other person or entity acting on their behalf or in any manner connected with the ownership and management of the above listed parties (collectively "Released Parties") from and against any liability, attorneys' fees, costs, or other Loss I may incur arising out of or in any way connected with my exposure to or contraction of COVID-19 as a direct or indirect result of my Using the Facility whether by my negligence or the negligence or other wrong doing of Released Parties (other than gross negligence or recklessness). I acknowledge that I hereby waive on my behalf and on behalf of my heirs and assigns, and fully understand the effect of such waiver, all benefits flowing from any state statute that would otherwise limit the scope of this Agreement release, including but not limited to **Section 1542 of the California Civil Code**, which provides: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

4. Bound Parties/Governing Law/Jury/Expiration/Time Limit/Severability/Modification: I understand and agree this Agreement is binding on my spouse, partner, family, minor child, heirs, agents, trustees, beneficiaries, representatives, relatives, successors, and assigns, and I agree to all the terms and conditions of this Agreement on my own behalf and on behalf of my minor for purposes of permitting our Using the Facility. For any claims or disputes (collectively "Claims") relating to the interpretation or enforcement of this Agreement, I agree California law applies, must be resolved by the Los Angeles county, California state court, and I waive my right to a jury trial. I agree that this Agreement does not expire and that any surviving Claims must be brought within one (1) year of the date accrued. If any provision of this Agreement is deemed invalid or unenforceable, the remaining provisions shall be valid and enforceable to the fullest extent of the law. EQUINE HEALTH AND BIOSECURITY REQUIREMENTS

Up-to-date DIHP Biosecurity Protocols and Practices are available online at deserthorsepark.com. These new protocols and practices have been developed in consultation with UC Davis, CDFA, and US Equestrian. The new protocols and practices will require additional documentation regarding the health of horses arriving at the DIHP. These include the following below:

1) PROOF OF VACCINATION AND COMPLIANCE WITH GR844

Required

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: Equine Influenza (EIV)

Within 6 months (180 days) of each show: Rhinopneumonitis (EHV-1 and EHV-4)

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show. Statement of vaccination must be on Official veterinary Letterhead and must contain the Show Name of each horse.

If the vaccine has been administered by a person other than a veterinarian, the exhibitor must provide, upon request, a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; the name, serial number, and expiration date of the vaccine; and the date of the vaccine administration.

2) INTERSTATE OR INTRASTATE HEALTH CERTIFICATE (CVI)

Required

This document must be submitted prior to the arrival of the horse to the showgrounds. It must be an official state CVI and must indicate the horse's registered (show) name, and be signed by an accredited USDA veterinarian within 5 days of arrival.

The CVI must include the following statements:

1) "I have examined the animal(s) represented on this Certificate of Veterinary Inspection and have found no clinical signs of vesicular stomatitis and they have not originated from premises under quarantine for vesicular stomatitis."

2) "I declare that the animal(s) represented on this Certificate of Veterinary Inspection are not demonstrating any signs of EHV-1, have not had any exposure to EHV-1 in the past 21 days, and are not coming from premises with known cases of EHV-1."

3) DECLARATION OF HEALTH

Required

Please review the Declaration of Health on the following page.

Visit deserthorsepark.com to sign the declaration and for the most up-to-date requirements.

How high can your dog jump? Can he or she stack up with the best Thermal has to offer? Come find out when we hold the second annual DIHP Dog Puissance Challenge! Have some fun, win great prizes, and benefit a good cause by putting your dog's jumping skills to the test in a friendly competition.

Each dog needs at least one sponsor to provide a minimum \$50 donation to the USHJA Foundation. (More is encouraged - and will be recognized!) Dogs will compete in a set order for the duration of the event. The competition will start with a low jump, and each dog will attempt to jump it. After the last dog in the order clears the jump, it will be raised, and the next round will begin. The dog clearing the jump at the highest height wins. Ribbons awarded 1st-10th.

Each entrant will receive a special DIHP doggie bag, and the owner/handler will receive a \$25 gift certificate to the DIHP Swag and Prize Store.

Four grand prizes will be awarded to:

III. **Judging System**

- A. Each class may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a “R” judge, the other judge on each panel may be either a “R” or “r” judge. Each panel will provide one (1) score for each round. See “E” for calculating the Overall Score. **Management may choose to run a standard formatted Derby with fifteen(15) or fewer entries with one (R) judge.**
- B. No panel may award the same base score to any two (2) competitors in any one round unless a competitor’s score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the **judge(s)** base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. **Handiness is taken into account in the judges’ base score.** After the **judge(s)**’ base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3’0” with 3’5” options) will be added to obtain the overall total for each horse.

F. Hunt and Go

***Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.**

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.

1. Standard Hunt and Go Format

- The Classic Hunter Round, consisting of **five to seven(5-7)** fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.
- After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. **Riders are not permitted to walk or pause between rounds.** The Handy Hunter Round,

consisting of ***five to seven(5-7)*** with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

- c. **Two (2) judges are required to judge the class.** Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
- d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.
- f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

IV. Tie Breaking Procedures

- A. No ***judge or panel*** may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than twelve (12) entries are to return for the second round, only the top twelve (12) horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two (2) judging panels are used, one (1) panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

V. Schooling

- A. During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

VI. Order of Go

- A. The order of go must be posted a minimum of one (1) hour prior to the start of the class.

- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple rides or rider conflicts, any rider may elect to move up in the order. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

VII. **Awards Presentation**

- A. All riders in the top twelve (12) overall (or their designated representative if not available) must ride for ribbons in order to receive prize money. Although not required, a show may choose to award separate ribbons for the first round if so stated in the prize list.
- B. Judges are required to pin to 12th place (plus two reserve placings) for the purpose of awarding zone bonus points.
- C. Ribbons and prize money are required to be awarded through 12th place per the prize money breakdown provided in section X.A.
- D. Competitions may award ribbons to the highest placing junior hunter rider and highest placing amateur hunter rider in addition to the awards for the overall top twelve (12) riders if so stated in the prize list.

VIII. **Course Requirements**

- A. The course diagrams for each round must be posted a minimum of one (1) hour before the start of the first round, unless the second round is held at another time. In that case, the course for the second round must be posted a minimum of one hour prior. **Hand walking is permitted prior to the National Hunter Derby class.**
- B. Dotted lines are prohibited in both the first and second rounds of any National Hunter Derby.
- C. Jumps in ALL Rounds
 - 1. Obstacles must simulate those reminiscent of the hunt field and course must offer a variety of Classic jumps with different appearances such as: natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxer, brush, logs, natural foliage.
 - 2. Natural obstacles such as banks and ditches are allowed.
 - 3. A minimum of 2" difference is required for the back element of all oxers.
 - 4. Ground lines are not to exceed 18" in depth from the vertical plane of the jump. For appropriate jumps, no ground line is necessary.
 - 5. The jumpable portion of any fence must be a minimum of 8 feet on its front face
 - 6. The top element of all jumps must be in cups except for walls with movable bricks.
 - 7. Flat cups may only be used for log fences and in accordance with Federation rules.
 - 8. Distances will not be adjusted for ponies.
 - 9. Fence height 3'0"
 - 10. There must be four option fences set at 3'5". If there is a difference in difficulty between any two tracks containing height options, the higher options should include the more inviting, less difficult track.
- D. Classic Hunter Style Course (First Round)
 - 1. A minimum of ten obstacles must be offered in the Classic Hunter Round.
 - 2. At least three of the following types of fences must be utilized: natural post and rail, stone wall, white board fence, riviera gate, coop, aiken, hedge, brush or logs.
 - 3. At least one in and out
 - 4. At least one bending line
 - 5. At least one line with an unrelated distance

6. At least one long approach
- E. Handy Hunter Course (Second Round)
1. A minimum of eight obstacles must be offered in the Handy Hunter Round.
 2. At least three of the following types of fences must be utilized: natural post and rail, stone wall, white board fence, riviera gate, coop, aiken, hedge, brush or logs.
 3. The course should simulate riding over hunt country and must have a minimum of two handy options, such as: tight turns, different tracks, clever options for jump approaches, pen type obstacles, hand gallop a jump, trot a lowered obstacle not to exceed 2'6" in height, halt and/or back. Gimmicky options are not appropriate.
 4. Unless the prize list states that more than twelve (12) entries are to return for the second round, then only the top twelve (12) horses from the first round, after all ties are broken, are eligible to return for the second round.

IX. Competition Requirements

- F. ***Submitting Results – for both Traditional and Hunt and Go formats, competitions must submit results from the Classic Hunter Round, the Handy Hunter Round, and the Overall.***
- G. ***Traditional Format – consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped separately. All participants will complete the Classic Round. Only the top 12, including ties, from the Classic will compete in the Handy Round.***
1. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
 2. The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, ***and handiness*** are to be rewarded. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.
 3. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.
 4. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. ***If***

any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.

5. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.
