FOR INFECTIOUS DISEASES INCLUDING COVID-19 RELATED LOSS AND BIOSECURITY ARRIVAL**

WARNING: IMPORTANT NOTICE

BY SIGNING THIS AGREEMENT, YOU ARE GIVING UP CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO RECOVER DAMAGES IN CASE OF ILLNESS, INJURY, OR DEATH (collectively "Loss") ARISING OUT OF YOUR PRESENCE AT THE FACILITY (defined below) SPECIFICALLY RELATED TO COVID-19 OR ANY OF ITS MUTATIONS, FORMS, DERIVATIVES, OR OTHER INFECTIOUS DISEASES (collectively "COVID-19").

I, the undersigned, hereby enter into this Release, Waiver, Hold Harmless, Assumption of Risk, Defend, and Indemnify Agreement for Infectious Diseases Including COVID-19 Related Loss (this "**Agreement**") in consideration of my, and my minor child if applicable (collectively "**I**", "**me**", or "**my**"), ability and permission to access, utilize, occupy, visit, attend, or otherwise be present on Released Parties' (defined below) property (the "**Facility**") during and after the COVID-19 pandemic, for any reason, whether or not related to equines or equine activities.

1. Risk of Loss/Protective Measures/No Guarantee: By signing this Agreement, I hereby acknowledge that I have familiarized myself with the risk of Loss accessing, utilizing, occupying, visiting, attending, or otherwise being at the Facility (collectively "**Using**") for any reason and the current protective measures at the Facility intended to minimize my risk of exposure to COVID-19. I agree the protective measures are satisfactory and sufficient for me to accept and assume the risk of my COVID-19 exposure resulting from Using the Facility occupied by other individuals. I understand and agree that Released Parties (as defined below) cannot guarantee: (a) the protective measures can or will prevent my exposure to COVID-19; (b) will be complied with by all individuals at the Facility; or (c) that others will not act in a negligent manner that may contribute to my Loss or contraction of COVID-19. I therefore consent to personal contact by Released Parties and/or medical personnel deemed necessary for providing for my care at the Facility and/or the hospital, even at the risk of my COVID-19 exposure. I agree to hold Released Parties harmless for such medical attention and any Loss directly or indirectly resulting therefrom. I acknowledge that I hereby waive on my behalf and on behalf of my heirs and assigns, and fully understand the effect of such waiver, all benefits flowing from any state statute that would otherwise limit the scope of this Agreement release, including but not limited to **Section 1542 of the California Civil Code**, which provides: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

4. Bound Parties/Governing Law/Jury/Expiration/Time Limit/Severability/Modification: I understand and agree this Agreement is binding on my spouse, partner, family, minor child, heirs, agents, trustees, beneficiaries, representatives, relatives, successors, and assigns, and I agree to all the terms and conditions of this Agreement on my own behalf and on behalf of my minor for purposes of permitting our Using the Facility. For any claims or disputes (collectively "**Claims**") relating to the interpretation or enforcement of this Agreement, I agree California law applies, must be resolved by the Los Angeles county, California state court, and I waive my right to a jury trial. I agree that this Agreement does not expire and that any surviving Claims must be brought within one (1) year of the date accrued. If any provision of this Agreement is deemed invalid or unenforceable, the remaining provisions shall be valid and enforceable to the fullest extent of the law. EQUINE HEALTH AND BIOSECURITY REQUIREMENTS

Up-to-date DIHP Biosecurity Protocols and Practices are available online at deserthorsepark.com. These new protocols and practices have been developed in consultation with UC Davis, CDFA, and US Equestrian. The new protocols and practices will require additional documentation regarding the health of horses arriving at the DIHP. These include the following below:

1) PROOF OF VACCINATION AND COMPLIANCE WITH GR844

Required

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: Equine Influenza (EIV)

Within 6 months (180 days) of each show: Rhinopneumonitis (EHV-1 and EHV-4)

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show. Statement of vaccination must be on Official veterinary Letterhead and must contain the Show Name of each horse.

If the vaccine has been administered by a person other than a veterinarian, the exhibitor must provide, upon request, a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; the name, serial number, and expiration date of the vaccine; and the date of the vaccine administration.

2) INTERSTATE OR INTRASTATE HEALTH CERTIFICATE (CVI)

Required

This document must be submitted prior to the arrival of the horse to the showgrounds. It must be an official state CVI and must indicate the horse's registered (show) name, and be signed by an accredited USDA veterinarian within 5 days of arrival.

The CVI must include the following statements:

1) "I have examined the animal(s) represented on this Certificate of Veterinary Inspection and have found no clinical signs of vesicular stomatitis and they have not originated from premises under quarantine for vesicular stomatitis."

2) "I declare that the animal(s) represented on this Certificate of Veterinary Inspection are not demonstrating any signs of EHV-1, have not had any exposure to EHV-1 in the past 21 days, and are not coming from premises with known cases of EHV-1."

3) DECLARATION OF HEALTH

Required

Please review the Declaration of Health on the following page.
