

**Desert International Horse Park**  
**Equine Declaration of Health**

As the trainer/owner/agent/competitor, I declare that the horse(s) in this submission are arriving to compete at DIHP and HAVE NOT:

1. Had a fever (greater than 101.5°F) in the last 72 hours before arrival, nor had been exposed or treated for a fever of unknown origin within the last 30 days.
2. Tested positive for EHV-1 within the last 60 days. If they have tested positive within the last 60 days, all horses must have had two subsequent negative EHV-1 tests by an accredited testing facility before arrival at DIHP.
3. Been on a competition grounds with an active or suspected case of EHV-1, EHM, or other known infectious disease in the last 30 days.
4. Been on the grounds of or at a private facility, barn, stable, or veterinary clinic with an active EHV-1 or EHM positive horse or an active or suspected infectious disease in the last 30 days.
5. Been in contact with a horse that has tested positive for EHV-1, EHM, or any infectious disease in the last 90 days.

If any horse(s) fail to meet these criteria, please contact our biosecurity office, Dr. David Runk, for further guidance at 530-902-0750 or [david@deserthorsepark.com](mailto:david@deserthorsepark.com)

By signing below, I acknowledge that any non-compliance by the trainer, owner, or competitor will result in USEF's notification for violating the DIHP biosecurity protocols, which may lead to disciplinary action in accordance with USEF rules.
